OFFICIAL NOTE

compiled on 9 October 1992 in Šipovo, concerning damage to and destruction of religious buildings, the people who moved out and the refugees who came to Šipovo municipality.

In Šipovo municipality, three mosques in the villages of Bešnjevero, Pljeva and Šipovo have been completely destroyed. The mosque under construction in the village of Volari is undamaged.

About 1,500 people of Muslim nationality have moved out of Šipovo municipality so far and there are about 1,500 Muslims still living in the municipality.

A total of 7,760 registered refugees are staying in the municipality and it is estimated that there are also about 1,000 unregistered refugees.

Note: In the territory of Jajce municipality controlled by the Army of Republika Srpska, two mosques have been destroyed – in the villages of Jezero and Vinac.
